It feels like they have added more routine, but then isn't that a big part of the Sims as a whole? They are supposed to mimic real life, and yet most of us end up doing the same things over and over again with no real purpose or meaning (sounds like real life to me).. e re-applying for the same job and starting from scratch again) Three New Career PathsYes, you read that correctly, there are only three new career paths, but they each have a fair amount of depth, which makes taking them up more rewarding in the short term.. Jump to the rescue and save countless lives as a Doctor, torment your neighbors with mischievous inventions as a Scientist, or investigate crime scenes and crack the big cases as a Detective.

You rule the workplace with The Sims 4 Get to Work Actively control your Sims while they're on the job, and determine whether they're headed toward a big promotion or are becoming the workplace menace.. As in the previous installments of the series, the American studio Maxis is responsible for its production.. The Sims 4 Get to Work is the first full and official expansion pack for the Sims 4, and its reception has only been lukewarm because it feels like content they should have included in the original.
