ly/2STNkMmAbout This Game"Typing Game" is a perfect indie game to train typing It is very easy to understand how it works, and the way in which the game is construed is very easy to get used to.. So you must decide why to go first without going over the danger line Also, the words that appear are random, you will never play an equal level in this game, also those words are adjusted to the level of difficulty.

-When you write the first letter of a word, you will see how this word lights up blue, and from there you can only write that word, any letter of another word that you are seeing will not count.. But there are several rules:-There is a line of danger that unwritten words can not pass, each game can allow you to pass a word, if there is a second word that passes, you lose the game.
